MESSAGE FROM THE PRINCIPAL

It is a matter of utmost privilege and pleasure to extend a warm and heartiest welcome to all the students desiring to take admission in different programs being offered in this premier higher educational institution of the NE region. Pragjyotish College had made its humble beginning, under the initiative of a group of visionary leaders of the region. The college has made exemplary strides from its inception till date. Today, it is not only one of the most distinguished undergraduate co-educational institutions in the entire NE region but is also the college of first choice by many, with programs ranging from higher secondary up to post-graduate. Students from all over the NE region have been nourished here and have excelled in the chosen areas of interests, both in academics as well as extra-curricular accomplishments. The college provides a liberal, lively and competitive environment enabling our learners to carve out a niche for themselves in their respective fields.

The entire admission process has also necessitated to be switched over to the online mode. Amidst these pandemic times, we braved to assess and accredit our institution through the National Assessment and Accreditation Council for the third consecutive time, which was a challenging task in our hand.

We believe in all-round development of our students. Apart from academic pursuits, great emphasis is laid on a range of co-curricular activities, discipline and character building of the students. Pragjyotish College has a unique distinction: it has a full-fledged National Cadet Corps (NCC) Unit with four wings-Army, Navy, Air and the Girl's Wings. In addition, the National Service Scheme, Red Ribbon Club, Bharat Scouts and Guides and the Youth Red Cross of the college provides our students a platform and ample opportunities for social involvement.

With these few words, I once again warmly welcome you to this august institution and pray to the Almighty for resounding success and excellence. I sincerely wish that after admission you not only get actively involved with the corporate life of the college, but also display exemplary excellence in the academic front, thereby embedding your name in the long and glorious list of proud alumni of our college.

***Dr. Manoj Kumar Mahanta,
Principal, Pragjyotish College***

✚ PRAGJYOTISH COLLEGE: A BRIEF HISTORICAL BACKGROUND

Pragjyotish College, founded on 1st September 1954, is the first college established in Guwahati, the largest metropolis in Northeast India, after independence. It became a beacon of learning and a symbol of aspirations for the common people of Assam, raring to build a new nation. Pandit Tirthanath Sarma, eminent scholar and litterateur, responded to and actively participated in the nation building by taking charge as the founder Principal of Pragjyotish College. From its modest inception as an arts college, Pragjyotish College has now developed into one of the premier institutions of higher education in Guwahati. At present, it is a well-known full-fledged under-graduate college imparting higher education in multiple streams.

Situated on the western bank of the Bharalu, a rivulet, in the heart of Guwahati city, Pragjyotish College is about 1 kilometre away from its confluence with the mighty Brahmaputra. It is about 4 kilometres from the Guwahati Railway Station and at a distance of about 20 kilometres from the Lokapriya Gopinath Bordoloi International Airport. At the backdrop of the college is a beautiful panoramic view of Nilachal Hills, the famous abode of Mother Goddess Kamakhya. In the emblem of the college, is ingrained the motto “**तेजस्विनावधीतमस्तु**” (May our study make us illumined) and a conch shell at the centre on an eight-petalled full-blown beautiful-lotus, which symbolizes pure knowledge and the relationship between the teacher and the learner, praying to the Almighty for energy, protection, maintenance that ultimately leads to peace and bliss. In its glorious existence of six decades, Pragjyotish College, as alma mater, has produced a galaxy of eminent personalities in all walks of life. The college celebrated its Diamond Jubilee Year during 2013–14. The college is recognised under Sections 2(f) and 12(B) of UGC and is accredited by NAAC for the third cycle.

CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES

In addition to the prescribed courses of study, the college encourages and motivates the students to organize and actively participate in various co-curricular activities such as games and sports, drama, fine-arts, literary and cultural activities, debating, symposium, and so on from time to time.

- **BHARAT SCOUTS AND GUIDES (BSG):** The College has a vibrant BSG unit of Rover Crew and Ranger Team for the boys and girls students respectively, registered under The Bharat Scouts & Guides (BSG), Assam. The unit imparts regular training courses and organizes camping, community and adventure activities throughout the year.
- **BRIDGE COURSES/ ORIENTATION PROGRAMS:** At the beginning of new academic session, several departments organizes introductory sessions in the form of bridge courses for the newly admitted students, not only for giving them a broad overview of the institution, but also to help them understand the curriculum and broad perspectives of the subject they will be required to study in the next few semesters. The PTNS Library of the college organizes library orientation programs for making the newly admitted students acquainted with the library facilities, provisions and other rules/ regulations.
- **CULTURAL ACTIVITIES:** Various cultural activities are held inside the college campus at different times of the year. Cultural programs are organized in every department on the occasion of departmental freshman social and farewell functions, while a wide spectrum of other such programs are held during the annual College Freshman Social event and the Annual College Week. Activities like folk dance, modern dance, one act plays, street plays, group songs, solo songs etc. are performed in the college campus on various occasions like Annual College Week Festival, Foundation Day, etc. Faculty members of the Performing Arts Department coordinate most of the cultural activities, with logistic support of the PCSU secretary in-charge of cultural affairs.
- **EDUCATIONAL EXCURSIONS, FIELD WORKS AND INSTITUTIONAL VISITS:** Several departments organize these programs and activities for the students. For some subjects, these activities form part of the co-curricular activities. Faculty members from respective departments accompany the student groups during such programs.
- **EXTENSION AND OUTREACH ACTIVITIES:** In order to develop social aptitude of the students, various extension education programs are organized from time to time in the fringe areas of the institution. These activities are primarily facilitated, coordinated and monitored by the Extension Education Advisory Committee.
- **GAMES AND SPORTS:** The college provide facilities for games like volleyball, badminton, table tennis, carom, chess, etc. There are separate PCSU office bearers for general sports, minor sports, cricket and gymnasium. The indoor games are mostly held within the college campus while some of the outdoor games like kabaddi, football, cricket etc. are played in the Sonaram H.S. School playground. A MoU has been executed with Sonaram Higher Secondary School in this regard. A well-equipped Sports Library has been recently set up, for stock piling various sports equipment. A basket-ball court of size 27.7 metres x 12.70 metres has been developed inside the college campus. A wide range of games and sport events are held during the Annual College Week, under active coordination of PCSU. Students also participate in

various other similar events organized by external agencies outside the college campus from time to time. Students are encouraged to participate in collegiate, inter-collegiate, inter-zonal, inter-university, state, national and international level competitions.

- **HEALTH CARE ACTIVITIES:** The college provide amenities for health well-being of the students and staff. A gymnasium hub with modern infrastructural provisions was set up in 2016 under RUSA grants. It caters to the physical well-being issues where membership is also provided to the residents of fringe localities at competitive fees. The **Gymnasium Hub** is under the supervision of a Gymnasium Instructor, who is in charge of collection of member subscription amounts as well as providing workouts instructions to all users. Provision has also been made for yoga classes by experienced instructors, at reasonable fees. Provision for availing martial arts training in the evening hours also exists for the interested students.

- **HOME ASSIGNMENTS AND STUDENT SEMINARS:** Students of several departments are required to submit home assignments and participate in student seminars on topics that are allotted from the syllabus of the concerned semester in which a student is studying.

- **INSTITUTIONAL BIO-TECH HUB:** An Institutional level Bio-tech Hub (IBT-hub) was established in the college in the year 2013 with some sophisticated instruments and apparatus necessary for enhancing hands-on-training skill and to make teaching/learning Biology/Biotechnology/Bioinformatics/Biochemistry etc. more attractive. The IBT-hub was sponsored by DBT, Govt. of India through BCIL and managed by North-East Biotechnology Programme Management Cell.

- **LANGUAGE LABORATORY:** One of the latest additions is the Language Laboratory which has come into existence in 2017 to meet the growing demands of students who are keen to develop their speaking skills, soft skills and personality. Set up on the second floor of the C-Block, the language laboratory includes a hall and a studio-cum-observation room. The air-conditioned laboratory is equipped with 15 multi-media computer sets (provided by RUSA) with headphones. Six language departments viz. Assamese, Bengali, Bodo, English, Hindi and Sanskrit share this laboratory. Each department is free to design and conduct crash courses for improving the language skills, particularly the speaking skills of the students. Moreover, the language departments have plans to jointly conduct some programs and workshops on translation studies.

- **LITERARY ACTIVITIES AND PUBLICATIONS:** The annual college magazine PRAGJYOTISHIYA is the springboard for shaping the literary and other creative interests of the students and teachers alike. Articles, creative write-ups, reviews as well as achievements of educational, cultural, social and sports activities of students and teachers of the college are published in this annual mouth-piece. The magazine is edited by a student editor under the guidance and supervision of an Editorial Board. Over and above, several departments publish departmental newsletters on a periodical basis. Every department has their own departmental wall magazines. Almost all departments have individual wall-magazines which serve to portray the literary and creative interests of the students. Several departments publish departmental newsletters on a periodical basis, which also provides ample opportunity to the departmental students to publish their write-ups.

- **NATIONAL CADET CORPS (NCC):** The NCC unit of the college is full-fledged, with four different wings viz. Army, Navy, Air and Girls". Regular training is imparted to the students throughout the year under trained Associate NCC Officers (A.N.O). The cadets participate in various activities and events throughout the year.

- **YOUTH RED CROSS (under IRCS):** The Pragjyotish College unit of YRC has been formed in 2019. The objective of the society is to provide relief in times of disasters/ emergencies and also to promote health and care of the vulnerable people and communities.

DAY CARE CENTRE CUM REST ROOM FOR DIFFERENTLY-ABLED

Inaugurated in 2012, the Day Care Centre has been providing basic amenities to working mothers, especially lady teachers and women employees of the college, for taking care of their infants and minor children during working hours.

EXAMINATION SICK ROOM

This particular facility is meant for providing a comfortable ambience for those students who are physically unwell at the time of appearing for the theory papers in different academic examinations. Students are allowed to sit inside this room and appear for the examination under supervision of designated supervisors.

FIRST-AID CENTRE

This centre is under direct supervision of the Health Care Promotion and Maintenance Committee. It provides basic infrastructure for any individual who suddenly falls ill or meets with accidents while within the campus. It serves as a temporary measure to provide first-aid facilities until expert medical supervision is arranged, if required for the affected individual.

INFORMATION AND CAREER GUIDANCE CELL (ICGC)

The ICGC of the college was constituted in 2001 with the following aims and objectives:

- 1) To provide information regarding higher study options and careers
- 2) To create awareness about self-employment and entrepreneurship career options
- 3) To provide basic information about opportunities for self-employment and entrepreneurship and support system available
- 4) To provide assistance to students for recruitment in various organizations from time to time
- 5) To provide job-oriented training to students seeking jobs.

PANDIT TIRTHANATH SARMA LIBRARY

History: The PTNS Library was established in 1954 by Pandit Tirthanath Sarma, the founder principal and an eminent scholar, in a tiny room attached to his office at Sonaram H.S. School with a modest collection of about 150 books. In 1963, the library was run in one room with a collection of 700 books. The library developed continuously and it was shifted to its own permanent building in 1991. At that time, the library collection was nearly 35,000 books. The college library was named after Pandit Tirthanath Sarma on February 24, 1995. Since its inception, the college library is striving for providing maximum support to the students as well as teachers in the teaching learning process. The library is very rich in terms of collection of Assamese and Sanskrit Literature. Presently, the library is running with Radio Frequency Identification (RFID) Technology. The library is linked up with INFLIBNET. Besides other modern services, the Pandit Tirthanath Sarma Library provides access to e-journals facilities to its users through the program entitled National Library and Information Services Infrastructure for Scholarly Content (N-LIST) under National Mission on Education. The entire first floor of the library building is presently running on solar power system.

Library Timings: The library remains open in all working days. Even during summer and winter breaks, the library remains open.

Library Hours: 9:30 am–4:30 pm

Book Issue Timings: 10:00 am–4:00 pm

Library Membership: Library membership is given to all students, teachers, and other staff of the college only.

Library Cards: Smart Library Cards are provided to all the members of the library. These cards are mandatory to enter the library. The digital attendance system of the library also operates with the smart library cards. Students can borrow and return library books through the self-service kiosks by using these smart library cards.

U.G. students having Major/Honours subjects can borrow **four** books at a time.

U.G. students of general course can borrow **two** books at a time.

H.S., B.B.A., B.C.A., M.A., M.Sc. and M.T.M. students can borrow **two** books at a time.

Book Bank: A book bank, sponsored and financed by the UGC has been maintained by the college since 1971. Poor and meritorious students are provided with books from the book bank for a complete academic session.

Library Services:

1. Operating with Online Public Access Catalogue (OPAC)
2. Borrowing and returning of library books with the help of self-service kiosks

Magazine subscription: 05

Newspaper subscription: 14 (both regional and national)

e-Journals and e-books: Membership of N-LIST, linkage with NDL, NSDL, DOAJ, etc.

Reading Room cum Reference Section: The library has a spacious and well-equipped modern reading room accommodating about 72 students and a separate reading corner for teachers. Newspapers and periodicals are displayed in the reading room. Journals, magazines, periodicals and reference books are issued for use inside the reading room only. The library has a very good collection of dictionaries and encyclopaedias in the reference section.

Special Service: The library has a United Nations Library Corner which contains lots of valuable and rare publications of UNESCO, WHO, etc. There are two reference corners in the library – North East India reference corner and Pandit Tirthanath Sarma reference corner, for advance learners. The family of Late Pandit Tirthanath Sarma donated his valuable collection of books to the library. Maximum books of this collection pertain to Sanskrit and English literature. In this collection, a lot of rare and old books are available, which caters to the needs of learners with special interests. The library has a good collection of books for career guidance. The library is very rich in reference books viz. encyclopaedias, dictionaries, bound periodicals, record books, atlases, handbooks, etc.

M.A. /M.Sc. programs (self-sustaining mode) have been introduced in the Department from the academic session 2018–19 and already three batches of the post graduate students have passed out with

many a first class achievers. The Department has a research laboratory too.

Activities: Activities of the Department, like memorial lectures, study tours, socio-economic surveys, popular talks, outreach programmes and plant visits (both for the under graduate and post graduate students), etc. are conducted under the aegis of the Economic Planning Forum. The Department annually organizes *BhabanandaDeka Memorial Lecture*. Late Deka, a founder teacher of the Department and the third Principal of the college, was a pioneer in writing books on economics in Assamese. The 13th *BhabanandaDeka Memorial Lecture was delivered by Dr. Archana Sharma*, Professor (Retd.) and former Head, Department of Economics, Gauhati University on the topic “The 2030 Agenda for Sustainable Development and Assam: An Overview” organized on 30th April 2022. Students and parents are encouraged to interact with the faculty members of the Department. One parent-teacher meet is held per semester. The Department is actively associated with SAESM (South Asian Economics Students Meet) from inception since 2004. The annual SAESM is a conference of undergraduate students majoring in economics in different colleges and institutions across South Asia.

Achievements: The Department completed a consultancy project of Department of Veterinary Science, Govt. of Assam on *Dairy Farming and Dairy Co-operative Societies (DCS) under Bajali Development Block, Barpeta, Assam* in 2013–14. It organized a UGC-sponsored National Seminar on *Role of NGOs in Economic Development with Special Reference to the North East Economy* in September, 2013. The seminar deliberation was published as an edited volume (ISBN: 978-81-7213-229-3) and released on 1st September, 2014. Three survey reports, based on socio-economic surveys by Major students under the supervision of the Faculty Members, were published. One of the former students was selected to present a paper as a member of the Indian team at the SAESM meet in 2011, hosted by Ramjas College, Delhi University. So far the Department has produced many first class achievers. An Entrepreneurship Development Cell (EDC) under the Economics Department has been established in collaboration with Indian Institute of Entrepreneurship (IIE), Guwahati for providing students with guidance in entrepreneurship development.

The first issue of the newsletter *Arthabarta* was inaugurated by Prof. Deepak Dhar Borah, former HoD of this Department during the Alumni Meet organized by Economics Department Alumni Association (EDAA) on 8th March, 2020. The 2nd volume of the newsletter was also released and a digital version of the 2nd issue is also available in the college website. As a part of outreach programme, the UG and PG students of the Department along with faculty members visited the Assam Legislative Assembly on 5th April, 2023.

The Department also took the privilege of organizing an International Webinar on the topic “ASSAM’S DEVELOPMENT LAG: CHALLENGES AND WAY FORWARD” during the Covid 19 pandemic on 16th August 2020. A National Webinar was also organized successfully by the Department in collaboration with National Cooperative Union of India (NCUI), New Delhi on the topic “Successful Cooperative Business Models” on 03.03.2022 with more than 100 participants. In collaboration with the EDAA, village Chamuapara, under Sipajhar Constituency was adopted by the Department and MOU was signed accordingly on 08.03.2022. As a part of the MOU, an Animal Welfare Camp was organized in collaboration with Rotary Club of Gauhati South and College of Veterinary Science, Assam Agriculture University (AAU) on 10.04.2022. Another Cancer and Health Awareness Programme was also organized at the adopted village Chamuapara. Another MOU was signed with Pandu College and a workshop on “How to Face Interview” was organised jointly with the Department of Economics, Pandu College on 21.05.2022. Two NET/JRF Orientation classes were organised by the Department for the Students of PG 2nd Semester and 4th Semester on 8th July, 2022. An add on course on “Data Analysis and Presentation on Social Sciences” is being run by the department from this academic session.

A proud achievement of the Department is a Major Research Project completed successfully by Dr. Bidyut Bikash Baishya, funded by ICSSR, New Delhi. Two other UGC sponsored minor research projects were also successfully completed by Dr. Ira Das and Dr. Bidyut Bikash Baishya. Dr. Baishya is also one of the co-investigators of a Minor Research Project funded by ASTEC, Guwahati.

Department at a glance: The Department of Physics was started in 1958, first offering Pre-University courses. The Physics Undergraduate (General) course was introduced in the year 1960, and subsequently the undergraduate course in Physics (Honours) in the year 1968.

Facilities: The Department of Physics has 3 experimental laboratories equipped with a number of modern instruments, where the students perform experiments on various physics-based phenomena. Moreover, the laboratories offer the students and the faculty members a chance to undertake innovative investigations. Additionally, the department has a full-fledged computer laboratory and an ICT enabled classroom. The computer laboratory is equipped with all the necessary facilities along with a high-speed internet connection, and the ICT classroom is well-equipped with audio-visual and multimedia facilities; in order to create a conducive learning environment.

Activities: The department organizes seminars, science quizzes, scientific talks and counselling on career advancement for the benefit of the students. Local excursion trips to universities, research institutions and other places of importance are organized occasionally. Additionally, the department organizes a wide range of scientific activities in collaboration with the Indian Association of Physics Teachers – Regional Council 17 (IAPT-RC-17). Furthermore, a unique initiative of its kind named 'STUDENTS as TEACHERS', wherein a student plays the role of a teacher and conducts a class for all fellow students is organized regularly.

Achievements: The performance of the students of the department in the final examination of Bachelor of Science conducted by Gauhati University, has been consistently good. A number of students have been placed in the list of university rank holders (including the first position holder). Notably, several alumni from the department have obtained placements in various government departments and other non-government organizations. Furthermore, several alumni have been involved with advanced research works in Science and Technology, in institutes of national importance, reputed universities and research organizations.

Proposed Timeline for launch of SAMARTH e-Gov portal for admissions to UG programme

TIME-LINES		
Sl. No.	Action	Date of completion
1	Date of launching of the Assam State Higher Education Admission Portal on Samarth	14 June, 2023
2	Date of opening for application through SAMARTH	14 June, 2023
3	Date of closing of application through SAMARTH	28 June, 2023
4	Date of publication of 1st merit list by the Colleges/Universities	04 July, 2023
5	Closing of offline Admission in 1 st Merit List	07 July, 2023
6	Publication of 2 nd Merit List	08 July, 2023
7	Closing of offline Admission in 2 nd Merit List	11 July, 2023
5	Publication of 3 rd Merit List	12 July, 2023
6	Closing of offline Admission in 3 rd Merit List	15 July, 2023
7	Spot Admissions (Offline)	17-18 th July, 2023

Important points

- Colleges are given direct access to the platform to feed own data ensuring correctness
- Because SAMARTH platform is launched this year, the colleges are given the privilege of preparing their own merit list.
- Students can give 10 options of UG programme in Colleges/University in the application.
- Colleges/universities have to ensure correct configuration of data, for example, subjects approved by the parent university, number of seats available against each programme, major seats/minor seats, subject groups etc.
- Assam Govt. Fee waiver scheme to be linked to SAMARTH. As such all the deserving students can avail fee waiver only when the students apply through the SAMARTH platform.
- There may be provision for spot admission, as deemed necessary.

Advantages

- Students will be free from the hassles of applying individually at different colleges.
- Overlapping admission will be avoided.
- Ease the financial burden on Colleges/Universities to maintain ERP system at Institution level.
- No maintenance hassles for the digital platform and no cost involved from the college at any point while using the digital platform.

To do List

- To set-up Admission Helpdesk in every College and University, wherein the Admission Module Coordinator and Nodal Officer can help students apply.

Answer to the chat questions in the Video Conference held on 09 June, 2023, convened by the Dept. of Higher Education, Govt. of Assam and attended by the Principals of all Provincialized Colleges and Autonomous Colleges in Assam

Important note:

Students can apply for admission to a maximum of 10 options (for example, same Major in 10 Colleges or 10 different Majors in one College or 10 different Major in 10 different Colleges). In case his/her application is selected in more than one college in the first merit list, the student will have to opt for only one college/option to process the admission and the selection to the remaining colleges/option appearing in the first Merit list will lapse. If they get selected in the second merit list for any remaining colleges/option in which they were not selected in the first merit list, then they will have the option to cancel the admission taken under the first merit list and then select one of the colleges/option out of the ones appearing in the second merit list. The same will be the case with the third merit list.

Thereafter, depending on the vacancy, spot admission can be done at the discretion of the admission committee of the college.

Any option that has lapsed in any previous merit list will not appear in the subsequent merit lists for that particular student.

1. **How can students get their Roll number?**
The Roll number of students will be automatically generated by the system.
2. **Can we start admission for self-financed courses?**
Yes, but this will be decided by the college authority
3. **What about the rest of the subjects apart from Major and Minor ones? There is no provision for Common Courses currently.**
Common courses will come at a later stage.
4. **Do students have to fill the online admission form on the Samarth portal?**
Yes
5. **How can IDC and other subjects be added during the admission process?**
Students can do it at a later date after admission.
6. **How will the student get the Link for Application?**
Either directly through Samarth portal link which can be embedded at the College portal or an external link made publicly available by the DHE
7. **What about the colleges under Gauhati University?**
Affiliated Colleges under Guwahati University can map the courses once the information from the University is updated
8. **If there are different subjects like DSC, DSM1, DSM2, SEC, IDC, AECC & VAC, then how can they be added?**
Apart from Major and Minor, all other subjects can be added later

1/192423/2023

9. Is there any update regarding Assam University admission process?

Data from Assam University is still awaited on the same.

10. Are colleges under Dibrugarh university allowed to take admission on their own and later update the data on the Samarth portal?

There are two options:

- Direct admission through Samarth where students themselves will fill all the required data.
- Admission through institution's portal now and onboarding the data later into Samarth by the University. But it will be the responsibility of the College to feed the data whereas in the first case it will be integrated automatically.

11. Where will we find the 'Relevant Samarth University Certificate'; which has to be uploaded by the student?

No such certificates is required.

12. Is the registration number the same as the roll number?

No, the Roll number will be generated separately after admission.

13. Is there any Edit option for College in students' details? Yes, the colleges can edit student details for certain specific fields only. For example, marks entry may be corrected if during scrutiny a mismatch is found between the transcript and the application form.

14. Are colleges under Dibrugarh university allowed to take admission on their own and later update the data on the Samarth portal?

See answer to Question 10

15. Please provide us helpline number for any further query

Helpline number will be provided soon

16. Under Gauhati University, two Minor Subjects are required to be selected. but the system shows only one Minor can be selected. Provision of two minors will be given for Guwahati University affiliated colleges

17. Will students be able to give multiple preferences for a major subject?

Yes

18. Is a student wants to pursue only a Minor subject, will it be possible to apply only in minor without selecting the major?

Yes
