

**Hands on Training Programme on Nursery and Gardening Techniques**  
**organized by Department of Botany Pragjyotish College**

**Saturday, 4th March, 2023:** One-day Hands on Training Programme on Nursery and Gardening Techniques was organized by Department of Botany, Pragjyotish College. The training was given Dr. Khagendra Kumar Nath Former Principal of Mangaldai College and presently running a well acclaimed and renowned entrepreneurial Nursery named Padmaa Nursery at Mangaldai. The inaugural session of the programme was graced by respected President of the Governing Body Dr. Jagadindra Ray Choudhury and respected Principal Dr. Manoj Kumar Mahanta along with the all-faculty members of the Department. The programme was attended by all the students of the Dept that included 2nd, 4th, and 6th Semester students.

The students along with the faculty members expressed their deep gratitude to the resource person Dr. Nath for his homely deliberation and training on how to perform various nursery and gardening techniques such as grafting, layering, bonsai etc., Dr. Nath also provided some deep secret nursery techniques for easy proliferation and development of horticultural plant. Dr Nath along with the training also encouraged students for entrepreneurship in nursery being student of botany and future aspects to it.
