

On 28th of April, 2023 we all faculty members of Department of Education along with 4th semester students of M.A visited North Eastern Hill University, Shillong with the purpose of Partial fulfillment of paper: VAC- 4074 (Project/ Field study). The purpose of the survey was to make a report on NEHU, Shillong with special reference to research in the Department Of Education.

The objective of the field study was to survey the present status of research under Department Of Education and the achievements in the area of research under the Department Of Education if any.

It was an amazing and wonderful experience for all of us. Students were happy to interact with the department. They share their experiences among themselves.

It was a matter of great pleasure and pride for us to receive a warm welcome by the department. Especially the most pleasurable moment that we had passed with faculty members including H.O.D of the Department Prof. Brinda Bazeley Kharbiymbai ma'am with her impressive personality. We will be forever grateful to Dr. N. Amareshwaran Reddy sir for his hospitality that we experienced during the day of our visit since morning to evening. It will be remain as cherished as unforgettable memory in our mind.
