5. Bishal Barua
6. Radhika Mishra
7. Tulshi sarkar
8. Niha Saha
9. Manisha Jha
10. Sukanya Parashar
11. Sanswang Goyary

Activities:

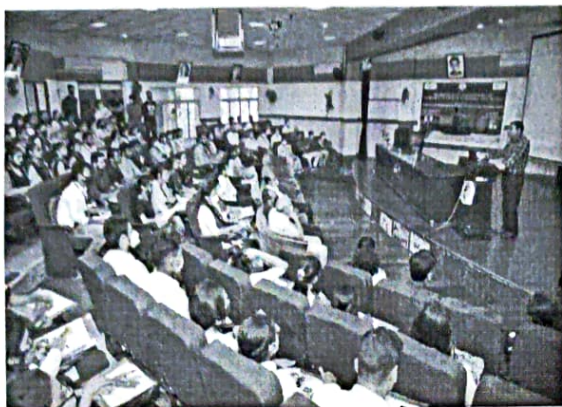

- The visit commenced with an introductory session by the Director of IASST, providing an overview of the institute's history, mission, and research focus areas.
- Following the introduction, students were divided into groups and taken on a guided tour of the institute's laboratories.
- Researchers demonstrated ongoing experiments, explaining methodologies and outcomes, and answered students' questions.
- The visit included interactive sessions where students engaged in discussions with researchers and scientists.
- Scientists from the research institute provided valuable insights and advice to students interested in pursuing a career in research.

The visit to IASST was highly informative and engaging, providing students with valuable insights into the world of research. It served as a valuable learning experience, inspiring students to pursue their academic and career goals with passion and determination. Such initiatives play a crucial role in bridging the gap between academic learning and practical application, preparing students for future challenges and opportunities in the field of research.

The main objective of the bridge course was to provide orientation to the students who have passed their higher secondary education in High Secondary level. The course had helped the students to bridge the gap between the subject they had studied in the High Secondary level & the subject they would be studying in the UG level.

The course had also provided insight on the new syllabus implemented due to NEP 2020. The faculty members provided orientation regarding the code of conduct of the college, introductory sessions, expectations from the course.

Brief description of the activity/ event: The two-day workshop was an extension of the FDP on 'Digital Humanities in Assamese & Bengali Literature and Language' held in March 2022, organized by HRDC-GU in collaboration with Bengali Department of Pragjyotish College. After inaugural function attended by the honorable Principal Dr. M.K Mahanta, Dr. Namita Das and other dignitaries from different institution the first academic session started. In this session and the subsequent post-lunch session of the day Mamun Or Rashid gave a clear idea of Digital Humanities and its area to the participants. Post-tea session was about text and data tools. Prof. Mamun described how to generate data and it could use in different areas of literary studies. He also discussed on scope for modern researches. Day 2 morning session started with hands-on practice. The participants were engaged in using voyant text tool to analyze certain texts from archive. The post-lunch session Prof. Mamun discussed on Charyapadas and how the text of Charyapadas had been analyzed by text tools. The day ended with notes from the HOD, Bengali.

Outcome of the activity/ event: Following resolutions have been taken in the meeting:

1. The department will take initiative to use text tools by the students
2. The department will organize more such workshops on use of tools in literature.
