Dated: 1.8.2018

This is for general information to students that the Department of Statistics will be organizing **Bridge Classes** for the Session 2018-2019 in Room No-c-103. Students are hereby informed to attend the classes.

Bridge Course: Major students(CBCS)

Topic: Basic Idea of Statistics

Event Description: A Bridge Course in Statistics for Newly students is conducted this year before the commencement of the under Graduate first Semester classes. The main objective of this one day course is to fill the gap between the subject they have studied at Higher secondary level and what they would be studying in the entire semester of U.G. Courses. Since there were students who did not have Statistics as a subject in their Higher Secondary so a Basic idea on Statistics has been given to the Statistics. They were introduced to the importance of the Statistics including its uses to the different fields. They were also introduced to the various job opportunities they can have while pursuing the subject.

Brochure of the Event:

About

Pragjyotish College:

Pragjyotish College, founded on 1st September 1954, is one of the largest educational institutes of the region. It has a unique distinction - it has a full-fledged NCC unit with three wings - Army (with both boys and girls units), Navy and Air. In addition, the NSS, Red Ribbon Club, Bharat Scouts and Guides and the Youth Red Cross of the college provides our students a platform and ample opportunities for social involvement. Over the years, with the active involvement of IQAC, the college has also signed a number of MoUs with national and international institutes resulting in different types of collaborative activities for the ultimate benefit of the students. Students from all the Northeastern states flock to this institute.

Sky International Academy: It is an Institute of Air Hostess and Hospitality Training, based in Guwahati, which is inclined towards building of skilled human resource for the upcoming requirement of the industry.

2 Day Workshop

on

Use of Tools in Digital Humanities

Organized by **BENGALI DEPARTMENT, PRAGJYOTISH COLLEGE**

in collaboration with **IQAC**

4,5 November 2022

Resource Person : Mamun Or Rashid, Assistant Professor, Bengali Department, Jahangirnagar University, Dhaka and Member, Bangladesh Computer Council, ICT Ministry

Digital Humanities is an interdisciplinary field that uses digital technologies to strengthen humanistic research. It has opened new possibilities for teaching and learning. Using Digital Humanities in the classroom is meant to incorporate new digital approaches and tools into studies. It assures both students and teachers that they will be able to learn new kinds of learning outcomes that touches a pedagogical height. Vernacular languages in Assam have an ample scope to develop digital consciousness among students and teachers through study of Digital Humanities. Keeping an eye on NEP 2020 the Bengali department of Pragjyotish College have arranged the two-day workshop on 'Use of Tools in Digital Humanities' which will surely help the participants to build up an workforce for future academic activities. We invite you to join hands with us and participate in this workshop.

Principal, Pragjyotish College

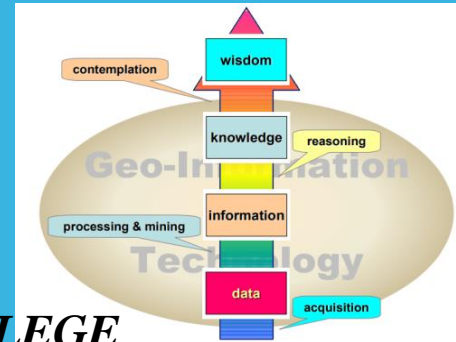

HOD, Bengali Dept., Pragjyotish College

Conference Hall,
Date 29.10.22 Time -11am onwards

Report:

On 29/10/2022 Program on "LIFE SKILLS FOR RESPONSIBLE YOUTH" was organized by Pragjyotish College NSS Unit. In this occasion invited speaker Ratna Singh gave knowledgeable words on life skill. The development of a student can be made possible by keeping all aspects of their personality in mind. This is the reason why Life Skill Education plays an important part in everyone's life. In life skills education, the overall personality of a student is taken into consideration. It gives strength to handle any kind of situation and gives the courage to face struggle to achieve any target. By adding life skills for students to the curriculum, better results can be achieved. In this programme 20 boys and 28 girls participated.
