65. Inter Departmental Arm-Wrestling Competition organized by the Department of Geography on 22/08/2023

The poster features a dark background with a subtle starry pattern. At the top left is a small globe icon. The text is arranged in a central column. A central illustration shows two muscular arms wrestling, enclosed in a circular frame. Below the illustration, there are faint, stylized drawings of a person's head and shoulders in shades of green and grey. The overall design is bold and thematic for a physical competition.
