The meeting today discussed in detail the queries raised by NAAC and how to meet the queries. The principal said that the queries should be ready by 28.05.2024. For queries relating to criteria I & II, — "list of students", communication to GU about feedback etc, the documents were to be approved by affiliating university. The DUV queries also directed to give clear, visible documents, the audit statements should be signed by Principal and CA, also they decided that no college documents should be given. Accordingly, the following resolutions were taken —

1. Regarding feedback and student list, approval were to be taken from GU.
2. College documents should not be given.
3. Clear visible documents to be given.
4. The queries should be ready by 28.05.2024.
