

**MEMORANDUM OF UNDERSTANDING
BETWEEN**

**DEPARTMENT OF CHEMISTRY
Pragjyotish College**

SANTIPUR, GUWAHATI | PIN - 781009 | Assam

AND

**DEPARTMENT OF CHEMISTRY
Sualkuchi Budram Madhab Satradhikar College**

SUALKUCHI | KAMRUP | PIN - 781103 | Assam

This **Memorandum of Understanding** is executed on this day of 26th September, 2022

BETWEEN

Department of Chemistry, Pragjyotish College, (DC-PC), Guwahati as the First party.

Department of Chemistry, Pragjyotish College was established in 1960 at Santipur, Bharalumukh, Guwahati. This department has undergraduate honours and generic course along with higher secondary. With its talented and motivated student-body and accomplished faculty, the department is serving as leading chemical hub in the North-Eastern region. The department has some of the modern infrastructural facilities and backed by excellent and dedicated faculties to cater the needs. Faculty members of the department have been involving in advances research and guiding students in their research project.

And

Department of Chemistry, S. B. M. S. College, (DC-SBMSC), Sualkuchi as the Second party;

S.B.M.S College, established in 1963, is a leading institution offering both Arts and Science courses at Sualkuchi, Kamrup, Assam under Gauhati University. The department offers undergraduate honours and generic course along with higher secondary. The department of Chemistry of this college carries a very good past along with the college. The faculties of the Chemistry Department in this institution are dedicated towards all round development of students and the doing its level best to achieve the goal of S.B.M.S College.

Herein both the departments are together referred to as 'the Institutions'.

• **Objectives**

It is desirable to build close and productive relationship between departments or institutions of higher learning of the North Eastern region. This is the way to share and extend the benefits of mutual co-operation. On this basis, DC-PC and DC-SBMSC agree to establish relationship for academic cooperation in the areas of mutual interest, and in accordance with terms and conditions stated in this memorandum of understanding (MoU).

As desired by DC-PC and DC-SBMS agree:

- a) to share information on research and educational programs.
- b) to support departmental and central library facility for literature survey relevant to their educational and research programs.
- c) to exchange faculty members from both departments to take classes that cover current chemistry syllabus on topics of interest.
- d) to jointly organize seminars, conferences, lecture series, or workshops on contemporary topics and to invite each other's faculty/students to participate therein.

- e) to submit project proposal jointly and engage in research sponsored by external funding agencies.
- f) to exchange students for special classes among these two departments.
- g) to allow to use the analytical facilities for education and research purposes.

The detail and important technical clarification of proposed activity, financial arrangements and person(s) responsible for its implementation are stated below separately.

- **Faculty Exchange Program** – The faculty members of both the departments agree to deliver scientific talks, popular talks and tutorial for UG courses, special lectures on important topics or under the domain of specific expert, lessons for laboratory courses on expressing their need.
- **Students' Exchange Program:** Honors students of the department of Chemistry, Pragjyotish College may visit to attend lecture, talk, and special classes on relevant topics covering the syllabus of Gauhati University at a mutually convenient timing during the session, at SBMS College in consultation with the HOD and vice versa.
- **Joint organization of Seminar/Symposia/Workshop:** Both DC-PC and DC-SBMSC agree to exchange messages and invite faculty members from the other institution to participate in seminar, conferences, workshops and short-term courses. This is a non-binding MoU and there shall be no financial obligation on both the parties as a partner in this MoU.
- **Collaborative Sponsored Research and Training Program:** The DC-PC agrees to help faculty members from the DC-SBMSC and encourage writing collaborative research project and applying for funding from external agencies. The terms and conditions for such participation will be worked out by mutual agreement between the faculty member(s). A faculty member can visit the other institution on invitation or as part of such joint research project following the terms and rules of the individual institution.
- **Access of Library and Laboratory Facility:** Both the institutes agree to allow the students to access the central and departmental library resources and laboratory equipments for their students and faculties with prior discussion.
- **Terms and Condition**

The Institutions, that is Pragjyotish College and SBMS College, agree that this Memorandum of Understanding shall enter into force on the basis of goodwill and shall not be legally bound. Both DC-PC and DC-SBMSC agree that any information exchanged for this MoU will be kept strictly confidential. Subject to clauses below, both the Institutions may attend this MoU by mutual consent in writing. Any amendment agreed by the Institutions shall come into effect from the date determined by the signing Institutions on potential areas.

This MoU will take effect from the date it is signed by representatives of the two institutions. This shall initially be valid for a period of three years. Thereafter, both

institutions, shall agree on mutual consent on the continued validity of this MoU. In any other circumstance, or other detailed collaboration between the two parties, a separate MoU shall be drawn up as and when required. Either party may, on three (3) months notice in writing, terminate the MoU in advance of its normal expiration or request the recognition of its conditions.

Witness Where of the parties have hereto endorsed with their official seal over the MoU on this 26th day of September, 2022.
