### 3. Method of Internal Evaluation laid down by the parent University as mentioned in the Regulations of the Undergraduate CBCS, Gauhati University, 2019

**10.2 Evaluation:** A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course/paper will be based on the following:

- Internal Assessment (IA)
- End Semester Examination (ESE)

For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

**10.2.1 Internal Assessment (IA):** IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.

10.2.1a Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.

10.2.1b 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

- a) Class attendance from 76% to 80%..... 1 mark;
- b) Class attendance from 81% to 85%..... 2 marks;
- c) Class attendance from 86% to 90%..... 3 marks;
- d) Class attendance from 91% and above..... 4 marks.

10.2.1c Rest 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

- a) Home assignments;
- b) Seminar/Group discussions;
- c) Field work;
- d) Performance in co-curricular and extra-curricular activities.
