Suggestions (if any) for the College (Maximum Five Points):

1. Library facility 2. Proper maintenance of wash room 3. Development of infrastructure 4. Cooperation of office assistance 5. Better improvement of Auditorium

Colleges can develop common resource guides, including on-campus and community resources, and train all faculty and staff on how to use them. Resource guides should include transportation, food banks, child care, and health resources (including mental health). In addition, colleges need to work to remove the stigma of seeking support services. Rather, accessing services should be a normal part of the student experience

Toilet facilities should be improved

My overall experience to date has been amazing, and the college is having a good infrastructure with a number of opportunities to grow and explore more.

Toilet should be clean and hygiene Teachers should be regular with their classes for other subjects except honors subjects

Need cleanliness

Girls washroom is not cleaning well and bathroom is smells so dirty

1. Office staff could be more friendly. 2. Girls common room needs development like wash basin, water between the college hours should be available at any time.

Water should be available in the toilets specially on the common room toilets

Extra curriculum activities Equal treatment to every department

1. The college office staffs don't respond to our queries properly most of the time. 2. Some of the office staffs are very rude to the students. 3. Toilets must be cleaned on a daily basis. Some Teaching staff and office staff should be more responsible for their bad behaviour towards students.

Improve the quality of college office

. No playground (for cricket/football) in the college campus . Courses should be more practical based

1) Sanitisation of classrooms. 2) Proper Infrastructure, more digital classroom. 3) Highly equipped Departmental laboratories

1) Need proper hygienic canteen 2) Ladies toilet must be clean ..as it becomes so dirty

Back gate must be open so that it will be helpful for us.

New girls toilets are required. Office Counter staff should be friendly. And students should not get pressurized by giving so many assignments and practicals at one time to submit within a short time

All is well

Toilet conditions must be improved (cleanliness) put eye on Office staff Students eating tobacco must be strictly prohibited

Need of open the back gate of college

Change the guard

Please clean the ladies washroom and please add a proper mirror in the washroom

Need a well ,large auditorium.

Need a good sanitary system need better toilets washrooms

Need a well ,need a large auditorium

1. Girls washrooms should be cleaned daily.

1. bathrooms were too bad , stinky and smelly . we expect to be more hygienic washroom in our college.

1. Cleanliness of the toilets should be done properly 2. cleanliness of the desh and benches should be done properly 3. Notice should be given on proper time so that students must not go under pressure 4. There is network issues that students face within the campus so i t's my request to look at it 5. Principal interaction with the students must be proper on the basis of admission fees or courses

1.Add more dustbins in the campus 2.allow one stationery,xerox and print out shop inside the college campus

1) I would suggest the cleaning of the boys toilet near the computer science department. 2)

Sports equipment like cricket bats and balls or footballs, basketballs etc to be made available.

Good College

More active

1) Our Department's class are really small coz we have many students. 4/5 students sit in a single benche. Whenever everyone present we face a lot. 2) College notice board and college website is not good. students know about a event or something through website after 1/2 days . college should update notices properly.

To organise sports to involve students into aports

Please clean up the boys toilet near computer department, it's very messed up and sometimes it don't even have water. Thank you.

1.Provide Sports Facilities

The washroom facilities need to be improved immediately

1.We need a big auditorium 2.We need more labotories

NIL

1) Washrooms should be cleanly maintained for save use. 2) More food items should be included in college canteen. 3) More books should be available in the libraries.

Our college's extra curricular activities are too poor.. We dont have access to all the facilities we need, we need one better cricketing ground.. One boys hostel.. More stuffs

Don't be partial towards other departments we commerce students are also giving fees We got nothing in return like other departments We got just 10% help from the college we need more

Satisfied

Washrooms should be clean more often

They should clean the toilets

Clean the bathrooms

1) Over crowd of the students should be reduced. 2) The behaviour of the office staff should be good.

1. The behaviour of the office staff should be good.

always good

Hygiene of Toilet Canteen food is too unhealthy and on cold drinks they charge more than retail price. Cash payment should also be accepted in office, because sometimes the card doesn't work and it becomes a headache for student. And many don't have card available.

Fixation of girls common room which is absolutely necessary.

Hygiene and more sanitation in girls common room

Everything in the college is good but not excellent like canteen, cleanliness, cultural and department events on time if the faculty can look for betterment on this then they can make it more improved

Good quality desks and benches And please reduce the admission fees of Bcom students we can't afford it

No.

1) Repair the ladies toilet 2) There should be wifi facilities for the students.

Office staff should behave properly

Sanitation should be improved and the toilet should be cleaned on daily basis..

More Dustbin Improve common rooms Place to sit at least in free time

Change the office employees

1. Help desk can be initiated to help new students as well as joiners 2. Sessional exam answer sheet could be shown No other suggestion. Satisfied with the institution

1) Girls toilets are very dirty so please keep a helper 2) Give some mind relax celebrations in college, as study and coming back home, someday no classes we get a feel like school, it is good but we are here for 3 years so we want memories from here Thank you

Well I don't have any suggestions. This college is great, I would like to give 5 points

College hygiene and toilet should be changed

Water in washroom Cleanliness in common room Sit and study facility Food in canteen in not good Sports shouldn't be ignored

1. The toilet and washroom are not much clean.

More office. more office staff

1. Cleanliness for mens washroom

* In canteens more number of workers need to be employed to create less havoc (students have to wait so much for the served food) * Girls Common room toilets are worst in hygiene maintenance which must be looked after * Number of washrooms must be increased

Our college best college of assam

The girls toilet and washroom maintenance needs to be improved. It would be great if there is the availability of running water in the washroom taps and basins for the entire day.

The staff of the office should be good and polite

1. Office staff behaviour towards students
